Accessoris

Wooden table top with bag, Item IS-5067

The telescopic spotlights in a tube, Item IS-9838

How do it works

1 This hard case can be used
in combination with wooden
table top (IS-5067)

2 lock the top with the two
locks at each side, the
handle should be in the same
direction as the wheels.

3 Attach the Wooden Table
Top

4 Wrap around the graphic
panel and lock it with the
velcro strip on the panel

5 You are now ready to meet
your customers with style!

How to pack the case

1 This case fits 5 pcs. of
graphic panels for Ripple and
the case panel.

2 It also fits 3 bags of the
basic Ripple modules.

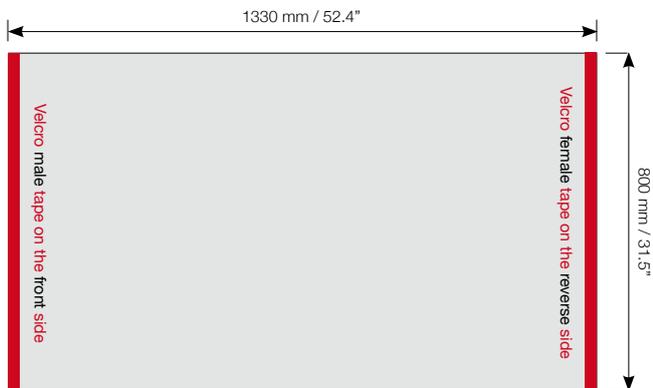

3 The bag with the table top
also fits.

4 In the top of the case you
can place 3 tubes with the
spotlights (IS-9838).

Graphic panel production

Attach a 20 mm Velcro male tape on the front side and a female on the other edge on the reverse side.

Printer material

We recommended the following material:

Poster paper: 180 gr / 0.4 lb.

The printed graphic panels must be laminated before use.

Front side: 125 microns (0,125 mm) / 0.005"

Reverse side: 250 microns (0,250 mm) / 0.010" "stop light"

Polyester film: 330-370 microns (0,350 mm) / 0.013-0.015"
Top laminate: 125 microns (0,125 mm) / 0.005"
