2 Center profile, 1000 mm		IS-9078
8 Fast slot connectors	IS-9051	IS-9051
4 Ceiling connectors for Wave system	IS-9307	IS-9307

Please observe! This is a Fabric section, the graphic will be done in fabric material with PVC edge band. For graphic production see **"Fabric instruction no. 2"**.

Please note:
Ceiling section only.

Add a double-sided starter module for the vertical front section.

1 Build your frame

2 Mount the 4 connectors at the outside in each corner.
Tips! if you mount the front connector 30 cm in on the frame you will have a small roof over your front module.

3 Mount the frame to the backwall and front module.
Attach the connector at the top hubs in all four corners.
